# COMMUNITY NEWS LETTER

*Butterhillcommunity@outlook.com*

**Issue 1**

Welcome to the first of the Quarterly newsletter, We hope that this will give you information on what has been happening and when, and what is to come and also give you the chance to become involved where you would like to. If you have any ideas or questions please do feel free to email them to the above address. Success

CONGRATULATIONS TO  
OUR EASTER BONNET  
COMPETITION WINNER

The Community Clean up day was a great Success, there were lots of very odd things found, from a Lawnmower, Golf clubs, pregnancy tests and even a Barrier pulled from the river. Thank you to all that took part, it is suggested to become a regular thing. Special thanks to Wayne Dawkins who jumped in the Wandle to try and clear it

Census 2021 has now ended, Please make contact with CENSUS if you have not completed this to avoid a penalty.

**census 2021**

Thank You to  
The Mill Pond Place  
Residents for clearing the  
ivy from the Bridge Rail's  
Vision has improved so  
Much making it safer  
**THANK YOU**

Community First Aid

We are hoping to get funding for a community first aid course. This course will be 2 hours long, and provide a basic training into emergency first aid, there would be we imagine 40 places. If this would be of interest, please send an email to register your name and we can apply for funding. By having people trained it would really help in an emergency.

IF YOU WOULD LIKE YOUR BUSINESS TO BE INCLUDED ON THE NEXT NEWS LETTER PLEASE EMAIL  
Butterhillcommunity@outlook.com

As a community group there is certain funding we are able to apply for to improve the local area. If you have any ideas please do let [Butterhillcommunity@outlook.com](mailto:Butterhillcommunity@outlook.com) know.

So far ideas which have come forward are :

### **Community Fun Day**

A day in local area where everyone can meet and enjoy, with the cancellation of the Carols by Candle Light and the Easter Fun Day we would need to wait for Covid to allow.

### **Community First aid Course**

This would allow people to have a introduction to first aid, at an accredited venue and trainer.

### **Community AED**

Having a local AED installed for an emergency, We are looking in to this, as there are many options, to have outside and accessible 24/7 would need a small electric feed. You can find more about AEDs online.

### **Air Pollution Monitors**

Application to fund 10 nitrogen monitors to go around the neighbour hood in 2023. (There would need to be further discussions re this as is crossing the constituency area boundaries.

WE ARE ALSO TRYING TO SECURE DISCOUNTS FOR LOCAL SHOPS AND BUSINESSES  
FOR RESIDENT ASSOCIATION MEMBERS,  
IF YOU ARE AWARE OF ANYONE WHO WOULD LIKE TO BE PART OF THIS PLEASE LET US KNOW
